### Essay Questions

1. Please write an essay expressing why you feel you are a good candidate to receive the Ray Festa Melanoma Foundation scholarship. Please keep in mind, the grant will be awarded to the student who most closely embodies the spirit of Ray Festa, who demonstrated leadership skills, athleticism, and a commitment to the betterment of Montclair. *(Please attach your essay of 100 words or less to this application)*
2. Ray Festa's untimely death was the result of his melanoma skin cancer being diagnosed at an advanced stage. As such, the Ray Festa Melanoma Foundation is committed to making skin cancer awareness a priority on college campuses throughout United States.

Please explain how you would bring such awareness to your college campus. For purposes of answering this question, you can assume that the Foundation would provide you with the necessary resources for your project i.e., pamphlets on skin cancer prevention, community event, club formation, etc. *(Please attach your essay of 100 words or less to this application)*

Please be advised that the recipient of the scholarship will be expected to carry out their plan to bring awareness to their college campus. Failure to do so may result in the Foundation revoking its scholarship pledge.

Please return application to Ms. Clark in the Guidance Center by April 13, 2012.
